GRESHAM

1867 **150** YEARS 2017

YOUR KITCHEN IS INDIVIDUALLY
HAND-SPRAYED IN OUR UK WORKSHOP
BY A SKILLED OPERATIVE TO VERY
EXACTING STANDARDS

GRESHAM's design is inspired by traditional panelling with elegant slim framing and a deep inside profile. This unique look allows you to confidently step away from the usual shaker design, in preference for something more stylised.

High quality T-bar knobs and matching handles in an anthracite finish complement GRESHAM's contemporary style.

FINISHES

Painted Timber/Matt

We have a beautiful palette of 25 stunning on-trend colours allowing you to choose the perfect colour combination for your kitchen scheme. Additionally in celebration of our 150th Anniversary, we have also added five extra shades to the palette to further increase your choice. If you are still unable to find the perfect match you can opt for the ultimate in personalisation, the bespoke painted service, whereby we will accurately match your painted kitchen to a colour swatch from any paint manufacturer.

Laminate

A collection of high quality, durable laminate finishes that cleverly replicate timber and concrete.

Gloss

A palette of five trending colours in a premium painted high gloss finish.

Matt

Three beautifully neutral painted matt shades with an ultra-smooth luxury finish.

Timber

Our timber doors are manufactured using high quality materials resulting in a beautiful, natural finish. All of our timber ranges are made using the finest, environmentally responsible timbers, from temperate regions throughout the Northern hemisphere with an emphasis on indigenous British species. The materials are sourced from well-managed forests, where the cycle of clearing and replanting has been continuous for many generations. As a UK based manufacturer, we work closely with our local environmental authorities to ensure compliance with our country's environmental legislation.

Veneer

Beautifully engineered Natural Oak veneer gives the illusion of a solid timber slab door.
